Dear SAC Members

We are very pleased to be representing you as your preferred Microlight Organisation under the NZ CAA's approval.

Over the past couple of years, we have absorbed an approximate 11% increase in operating costs without a change in fees.

To maintain our current service to members and to comply with all the regulatory costs involved in our operation, we will have to adjust our existing client fee from \$85 to \$95 per annum. This will take effective from 1st May, 2016.

See the details of our new price list on our website. <http://www.sportflying.co.nz>

We appreciate the support from all our existing clients and assure you, SAC will continue to be an organization that provides an affordable, safe and effective service to new and existing members.
